- (b) If any portable basketball hoop is placed on any public right-of-way, except within the end of a local dead-end street, the city shall have the right to remove the portable basketball hoop after providing the Borough with ten days written notice. Any portable basketball hoop removed by the city shall be claimed within ten days, otherwise the portable basketball hoop will be disposed of. If the owner or person responsible for the portable basketball hoop wishes it returned, a fee set by resolution of the Borough council shall be charged for each portable basketball hoop.
- (c) If a property owner wishes to place a portable basketball hoop within the end of a local dead-end street, the owner shall:
 - (1) Notify all neighbors on the dead-end street.
 - (2) Supervise young children using the portable basketball hoop.
 - (3) Keep the basketball rim behind the back of the curb when not in use.
 - (4) Remove the portable basketball hoop from the public right-of-way if it is determined by the city to interfere with street maintenance or public safety.
