OLD BUSINESS

- Purchase of flag poles and military flags to be completed prior to Memorial Day: updates? A speaker is still needed for this event.
- Reminder: Tenaris sponsoring a tree planting event scheduled for May 11th. Koppel volunteers along with Tenaris volunteers are requested to plant Eastern Hemlocks and Redbuds donated by Tenaris. We thank you for your generosity! A day may be needed prior to the 11th to clean the fence line.
- Completion of Resolution Letter with requested amounts for DCED Greenways Grant.
- Reminder: Town hall meeting June 13 to gather community input on the proposed park and ball field and large police department purchases.

UNFINISHED BUSINESS

- Tom Sobona, Council President, wishes to discuss plans to rehabilitate the Koppel ball field. He has received a few quotes for fencing. Vance's also submitted a quote to redo the infield.
- Review of Noise and Nuisance House Ordinances.
- Discussion of candidates for Zoning Board Solicitor.
- Plan to purchase new 2023 cruiser using some funding from the security detail.

NEW BUSINESS

- Job Training for Beaver County program presentation. Athena Pangikas-Miller, Mayor, met with members of the program to discuss creating in-school summer jobs that would teach young people various work skills and provide additional assistance for the borough. A Koppel Cares Workforce could be established with these workers to assist residents with allowable clean up projects via an application process. Additionally, one clerical worker would be requested to assist our secretary with filing, organization, scanning, and other administrative duties.
- Rick Milligan, maintenance supervisor, to present a Koppel Clean Up Day which may offer paid services like yard debris haul away or removal of construction waste, tires, TVs, and other items not customarily accepted by Young's Refuse.
- Dissemination of a Spring newsletter/bulletin to remind residents of applicable ordinances (including yard maintenance, garbage disposal, basketball hoop

registration), clean up services (Koppel Cares Workforce and proposed item haul away day), and updates about the emerging Fire District.

- Brand new website redesign has launched! Check it out!
