- A motion was made to transfer \$23,468 of interest accrued from our PLGIT account to our General Fund to pay for the match on the Park Grant. All in favor and all approved

GENERAL DISCUSSION

- There was much discussion about the procedures that need to take place before hiring someone. The hiring of Jim Banney was based on getting his driver license run. Update: License was run and Jim Banney is hired to help as soon as possible.
- Discussed the snow removal process and the fact that there is limited equipment to do the job. The intersections are the main priority right now. They will be able to move more snow now that there is part-time help.
- The Borough building had a major water leak. Working meetings will be held at the Fire Dept until repairs are finished.

Meeting Adjourned – 6:50 pm

Mayor Pangikas-Miller swore Mary Jo Sobona in as Tax Collector.
