### **GENERAL DISCUSSION**

- The Spring newsletter was passed around for review.
- The fire truck that is owned by the Borough was in a wreck on the way to a fire. Acting Fire Chief Squicquero has been looking for a replacement fire truck. The need for a new truck is urgent. Many numbers and possible purchases were discussed with and without turning it into the insurance. It was determined that the best deal at the moment would cost \$39,000, in which the Borough would put a \$4,150 down payment. However, there may be other options and council wants it stated that they need to purchase a truck that has the greater value.
- An ordinance committee is being organized to review and update many of our ordinances.
- The Executive session was tabled until the next council meeting so the Solicitor can attend.

**Meeting adjourned at 6:45 pm**
