### **MOTIONS**

- A motion was made to change phone service for the police from T-Mobile to First Net. All in favor and all approved.
- A motion was made to get the leaf vac delivered for approximately \$1900.00. All in favor and all approved.
- A motion was made to move into an executive session. All in favor and all approved.

### **GENERAL DISCUSSION**

- Barb Gioffre spoke about how her home and other homes in the 3<sup>rd</sup> Avenue area were infested with animals, such as skunks, groundhogs, etc. Barb showed pictures of some of the damage. The Animal Control Board told her that animals are attracted to garbage. She also showed many pictures of garbage, dirty diapers, animal feces laying around everywhere. One house is right by the police department. Some neighbors can't even sit on their porch because the stink is so bad at times.
- There was much discussion about all the issues and what to do about them.
- Council acknowledges that there is a problem and will continue to look for a code enforcer.

**Move to Executive Session – 5:53 pm**

**Meeting Adjourned – 7:23 pm**
