## **CODE ENFORCEMENT/EMERGENCY MANAGEMENT REPORT**

- No report

## **POLICE REPORT**

- A police report was handed out

## **FIRE DEPARTMENT REPORT**

- Nothing to report

## **SOLICITOR REPORT**

- Discussed the email sent to council to clarify the use of an executive session. They are to be used for personnel matters, not administrative issues.

## **MAYOR'S REPORT**

- Working with Skye Cider to get the winter newsletter sent out.

## **MAINTENANCE REPORT**

- When picking up leaves, something got stuck in the leaf machine so it is being worked on.
- Penn Power hooked up the electric at the pavilion.
- The gate will continue to be locked at the reservoir until the electric company is done working in the area.
- The Ford police car needs tires. Jim Krawchyk, maintenance supervisor, found a business that works with police departments via the state. The cost of four of the best tires designed for use on police cars is \$849.00.

## **ENGINEER REPORT**

- Tracy Frampton from the EADS Group introduced Frank Novotny who will replace Dominic Greives as our engineering representative. Frank presented a budget for the rest of the Arthur Street Streetscape Improvement Project. A resolution will be signed so that the grant request can move forward.

## **GENERAL DISCUSSION**

- After much discussion, it was determined that going forward the Borough will continue to support the fire department by giving them a check for \$1200.00 a month to help with their bills. The difference will be that the fire dept is now solely responsible for determining what gets paid and will be accountable for those payments by providing a spreadsheet every quarter at the council meeting for approval.
- Discussed the hiring of Chuck Bevington as Code Enforcer and how the job will be structured.
- There has been no communication from Richardson Inspection despite multiple attempts at trying to reach them about multiple properties.
