- A motion was made to return to council meeting from executive session. All in favor and all approved.

**GENERAL DISCUSSION**

- Continued discussion of the budget. There may be some changes to it after looking into some issues that were brought up during the discussion.
- The Winter newsletter was reviewed for distribution.
- Code Enforcer, Chuck Bevington, has been trying to coordinate with Richardson Inspection and not really getting much response from them. Chuck has looked into the way Richardson's process works...from getting a citation to actually going to court and realized it could take 6-7 months. Chuck wants to get the process streamlined and work with Richardson to formulate a plan that will work better for everyone, as that timeline is entirely too long.
- Code enforcement showed pictures of two properties that were doortagged. One complied and the other one has not.
- Discussed the issue of delinquent garbage bills. A letter will be going out in January for those who are behind on their bills by \$100 or more. Those people will be cited if the bills are not paid.
- Discussed arrangements for picking up the picnic tables donated by Pitt Race.
